

Fund Kraken account

1. Visit Kraken.com and sign in. Then click on "Add cash".
2. Select your preferred currency.
3. Choose the amount you'd like to add to your Kraken account.
4. Switch to your banking app and set up the transfer.

Add this in a pink box: Remember to include the reference number; if you forget it, the transaction will fail and the funds will be returned to your bank account.
